Product short description:

To Clear! Midnight Blue Dry Wax Fabric

The perfect lining to compliment traditional waxed fabrics. It has a good level of water and oil repellence and acts as a barrier to the wax, ensuring no transfer/migration on the inside of garments.

We would recommend all traditional wax fabrics are lined appropriately.

A strong waxed material with a dry feel.

Ideal for jacket linings, apparel, crafts, outdoor coverings, car, boat and bike covers.

Sold by the meter.

150cm wide.
