Product short description:**Spun Bond Anti Slip Base Cloth**

100g/m²

Non slip Polyester fabric.

150cm wide.

Spun Bonded cloth is a non woven fabric with high tensile strength.

It is commonly use in upholstery for the underside of sofas.

Make rugs and bath mats '**non slip**' with our spunbond, which features rubber nodules on the reverse of the fabric providing excellent grip.

Ideal for:

- upholstery
- table covers
- table mats
- anywhere you need a strong non-slip solution

Care: Wipe clean only.
