Product short description:

Soft brushed nylon bonded to a 2mm foam backing.

Available in 5 popular colours.

Ideal for all automotive uses including caravans, camper vans, custom car projects and replacement of old and tired car headlining.

To reduce the chances of crease and damage it is best sent on a roll. This removes the chances of creasing, ensuring the headlining reaches you in the best condition possible.

140CM Wide
2MM Foam Backed
Brushed Nylon face fabric
