Product short description:

The perfect linings to compliment traditional waxed fabrics. It has a good level of water repellence in addition these linings have a good level of oil repellence and act as a barrier to the wax, ensuring no transfer/migration on the inside of garments.

We would recommend all traditional wax fabrics are lined appropriately.

150cm wide.

A strong waxed material with a dry feel.

Ideal for jacket linings, Apparel, crafts, outdoor coverings, car, boat and bike covers.

EU Fabrics

Sold by the meter.
