Product attributes:

Colour: Dark7159, Medium7159,
Light7159

Type: Fabric, Order Sample, Thread

Product short description:

Stretch Denim Fabric

145cm wide.

62% Cotton, 35% Polyester, 3% Spandex.

Stretchier than normal denim. This fabric is ideal for form fitting clothing such as skinny jeans. A medium weight denim ideal for many types of clothing requiring that extra bit of comfort as well as crafts and soft furnishings projects.

Pre washed so shrinkage should be minimal. 30 degrees wash.
