Product short description:

P200 Hybrid Aero

100% Cotton

Width: 150cm

Weight: (g/m2): 250

Hybrid Aero is a very dry waxed fabric. The mixed wax finish is lightweight, breathable and weather repellent. It can be used unlined and offers a soft aged appearance.

This fabric can be washed, dried on the line and lightly ironed.

Used for Apparel, bags, accessories, tote bags, hats, duffel bags, vests, jackets, aprons.
